

SECURITY FOR SCHOOLS

www.energyctrl.com

ASSESSMENT OF THREATS AND ACTION INITIATIVES

School needs include security for new facilities and assistance in securing older buildings. Districts must review security events to determine causes and sources of threats and provide solutions based on those findings. Districts should approach school safety by addressing threats with proven technologies used in other learning environments, such as those below.

Key Action Plan items

Review of existing Policies & Procedures

Implementation of technologies, including;

<i>Electronic Access</i>	<i>Burglar Alarms</i>
<i>Motion Detection</i>	<i>Video</i>
<i>Intelligent Software</i>	<i>Integration</i>

District:	problem	solutions
------------------	----------------	------------------

<p>Albuquerque Academy \$226,000 in improvements</p>	<p>vandalism high cost of re-keying poor building security liability insurance</p>	<ul style="list-style-type: none"> • Access Control System • Web-based Camera Surveillance • Tripwire / Intrusion Detection • ECI Monitoring Center • Safe-Walk Audio System
<p>Portales School District \$621,000 in improvements</p>	<p>intrusions vandalism after-hours trespassing parking lot problems</p>	<ul style="list-style-type: none"> • Web-based Camera Surveillance • District-wide Access Control • Low-Light & Infra-red Cameras • Digital Video Recording • Wireless PC for Guards
<p>Artesia Public Schools \$588,000 in improvements</p>	<p>board minute accuracy record of public comments vandalism slow PC communication</p>	<ul style="list-style-type: none"> • Web-based Camera Surveillance • Digital Video & Audio Recording • DVD record of Board meetings • Exterior Video Cameras
<p>Carlsbad Public Schools \$589,000 in improvements</p>	<p>vandalism student safety school violence traffic/parking lot issues</p>	<ul style="list-style-type: none"> • Tripwire / Intrusion Detection • Low-Light Exterior Cameras • Digital Video Recording • Wireless PC: Guards see cameras
<p>Santa Fe Public Schools \$3,783,000 in improvements</p>	<p>monitoring vandalism fire safety</p>	<ul style="list-style-type: none"> • Web-based Camera Surveillance • ECI Monitoring Center • Low-Light Exterior Cameras

Ending school violence starts with effective planning and threat assessments. Utilizing planning and proven technologies with system integration is the proven approach to making schools safe

ECI is a security and technology leader in New Mexico and provides state-of-the-art solutions for school integration, automation, and security.
